## Firefly Veterinary Endoscopy Accessories

### COMPLETE SYSTEM

Firefly's suite of stainless steel accessories for veterinary endoscopy are perfect for a variety of clinical and surgical applications. These rugged tools were designed to work in conjunction with the DE1250 Wireless Endoscope Camera, creating a complete and affordable endoscopy system.

### DURABLE

Stainless steel and high quality optics allow these accessories to handle the tough demands of a veterinary clinic.

### BACKGROUND

Firefly has a strong history of offering high quality veterinary products to practices worldwide. First releasing their DE551 Wireless Veterinary Video Otoscope, followed by the DE1250 Wireless Endoscope Camera, Firefly has established themselves as the innovation leader in this space, available in over 40 countries with new regions being added year after year.
